| SPS 2025 | 2025-11-17 | 2025-10-20 | potentially |

Please note: We have a cooperation with a hotel close to the workshop site; during times of fairs in Nuremberg the prices for hotels in Erlangen also are distinctly higher than normal. The hotel has kindly provided the dates for these higher rates. When you plan your workshop, please avoid overlap as we would not be able to pay the higher rates from the project.
